

# Corrugated Animal Bedding

Ovation = Horse Extol = Poultry

## Information Sheet

- Made from new, rejected corrugated cardboard straight from the manufacturer
- Extremely absorbent—holds approximately 400lbs of water for each 100 lbs of bedding
- Passes through dust extraction system before packaging so there is almost no dust
- 3.9 cubic foot bags that spread to approximately 8.0 cubic feet
- Decomposes easily
- Tough, long-lasting bedding
- Patterned after products used extensively in Europe and Australia's horse racing industries
- Also available in Incredi-BALE—1,000 lbs of bedding wrapped and belted—bulk bedding won't blow away anymore—use it as you need it and the rest stays nicely wrapped!
